Colour-coded Buckets – Heavy Duty

Technical Specifications

Material:	Polypropylene
Heat tolerance:	134 degrees celsius
Suitable for autoclave	
Chemical resistance	Has excellent resistance to the following chemicals: <ul style="list-style-type: none">• Bleaching Solutions Dilute• Citric Acid• Detergent• Hydrochloric Acid

Easy carry:

- Close fitting lid ... keep product in & contamination out.
- Strong ergo handle reduces hand fatigue
- Unique flat side design

Easy clean:

- Smooth surfaces ... no internal or external sharp edges
- Self-draining base when inverted ... avoid stale product being trapped

Easy pour:

- Easy-to-pour spout ... no splashes or dribbles.
- Hand-grip on back of bucket ... big enough for gloved hands and high enough off the floor to avoid scraping knuckles

Easy store:

- Hangs upright or upside down
- Stable and convenient ... flat side sits flush with wall

Approvals

All raw materials are in compliance with FDA-CFR 21 / Food code 2009.
